We pay respects to the Ancestors and Elders, past, present and emerging.

DAY 1

Broome - Rowley Shoals, Clerke Reef

On the day of embarkation, a courtesy vehicle will collect you from your accommodation in Broome at 1:30pm and take you to Gantheaume Point beach for your tender transfer to the awaiting Ocean Dream. Enjoy a refreshment on the deck and settle into your floating hotel as Ocean Dream sets sail towards the ultimate water playground destination, the Rowley Shoals Marine Park.

DAY 2

Clerke Reef - The Aquarium

The Rowley Shoals lie approximately 170 nautical miles northwest of Broome, and after an overnight cruise, we arrive at Clerke Reef—one of three stunning atolls that make up this remote marine sanctuary. As we approach, guests are invited to gather on the bow to witness the reef gradually emerge, a spectacular sight as we navigate through the channel into the turquoise lagoon.

With ample time to swim and snorkel, you'll explore pristine coral gardens teeming with tropical fish, and you may encounter the gentle Giant Potato Cod and Maori Wrasse in their natural habitat. For divers, this is the perfect opportunity to enjoy a gentle introductory dive at "The Aquarium," located inside the atoll—a chance to fine-tune equipment and ease into the underwater world.

After lunch onboard, we venture outside the atoll for a deeper scuba dive in the open ocean. Meanwhile, snorkelers can enjoy an exhilarating drift snorkel through the main channel and finish the day with a chance to troll for bigeye tuna, rounding out an unforgettable introduction to the Rowley Shoals.

DAY 3

Clerke Reef

Begin the day with an early morning scuba dive or snorkel at the spectacular Clerke Wall, known for its sheer drop-offs and vibrant marine life. For those preferring to stay dry, enjoy a morning of fishing within the calm waters of the lagoon. With countless world-class dive and snorkel sites to choose from, the abundance of marine life here never fails to impress.

Later, step ashore at Bedwell Island, where calm conditions and turquoise waters create the perfect setting for a leisurely walk and birdwatching. The vivid colours of the lagoon and surrounding reef are a photographer's dream.

We finish the day with drift snorkels through the dinghy channels, a favourite for many guests and a spectacular way to end another extraordinary day in the Rowley Shoals.

DAY 4

Clerke Reef - Bedwell Island

Enjoy a scuba dive to the north of the atoll, stopping on the way for a memorable swim with manta rays. One of the day's highlights is an incredible dive at Blue Lagoon, while snorkellers can opt for a more relaxed experience inside a nearby bommie where the current is gentler. A snorkel around the Indo wreck, located near the moorings, also offers an exciting glimpse into this relatively new site.

After lunch onboard, guests may choose to return to Bedwell Island for sunbathing and paddleboarding, or opt for an afternoon of fishing, diving, or simply relaxing on the deck. Later, Ocean Dream repositions to the outside mooring, giving guests another chance to snorkel Blue Lagoon or enjoy a peaceful afternoon at sea.

DAY 5

Mermaid Reef

We cruise 20 nautical miles north to Mermaid Reef, entering via the western face of the atoll. This rarely visited marine paradise offers exceptional dive and snorkel opportunities, with the chance to spot manta rays and enjoy more thrilling drift snorkels or even a bit of "skurving" for the adventurous.

Evenings onboard are a time to unwind and celebrate—with elegant dinners, the occasional fancy-dress night, and lively entertainment shared with our warm and welcoming crew, it's all part of the magic aboard Ocean Dream.

DAY 6

Mermaid Reef

Mermaid Channel never fails to amaze—expect crystal-clear waters with visibility down to 40 metres and large schools of fish, including over a thousand bigeye trevally and swirling barracuda.

For morning tea, we set up at the sand cay, which begins to emerge just as the tide falls. Chairs and umbrellas await on this tiny 10-metre-wide island, where guests sit with waves gently washing over their feet, surrounded by a shimmering, aquamarine lagoon. It's absolute paradise—and no one ever wants to leave.

Final Afternoon

After one last opportunity for a morning snorkel or swim, enjoy a gourmet farewell lunch onboard as Ocean Dream begins her overnight voyage back to Broome.

DAY 7

Disembarkation

Following breakfast onboard, we say our farewells and disembark in Broome at 8:30am, with a courtesy transfer provided to your hotel or the airport.
